

# Women's Information

## Factsheet

October 2024

It has been more than three years since the military terrorist attempted the coup on 1st February 2021; the people of Myanmar are still strongly against the dictatorial system with various forms of resistance like non-violent ways as well as armed revolution. Women are being killed every day due to grave human rights violations committed by the military terrorist. Thus, the presented data has been monitored and collected from reliable media sources and on the ground by the Burmese Women's Union (BWU). The actual figures could be higher on the ground due to the challenges and limitations of free-flow information. BWU faces numerous obstacles and challenges in accessing data and information.

	Fatality	Injured
 Airstrike	45	17
 Artillery Shelling	9	12
 Killing	10	1
 Drone	1	2
 Fire	-	1
 Shot	2	2
