

Women's Information Factsheet

April 2025

On March 28, 2025, a powerful earthquake with a magnitude of 7.7 struck, centering around Sagaing and Mandalay cities. Following the earthquake, both the Ethnic Resistance Organizations and the military terrorists separately announced temporary ceasefires to enable emergency earthquake relief efforts. However, despite the military terrorists' declared ceasefire, they continued launching intensified airstrikes targeting civilians when civilians suffered from the earthquake's devastation. As a result, women and young girls are losing their lives every day.

Killed

71

Injured

50

In April 2025 alone, (71) women have been killed. The reported data has been monitored and collected from reliable media sources and by the Burmese Women's Union (BWU). However, BWU encounters numerous obstacles when accessing data and information; therefore, the actual figures may be much higher on the ground.
