"58 women were killed due to airstrikes and ground attacks by illegal military junta "

The illegal military junta have continued to commit various forms of severe human rights violations that amount to war crimes and crimes against humanity. For women, due to the various forms of human rights violations that they face on a daily basis, including conflict-related sexual violence, many have lost their lives. As of September (1) to (30), 2026, 58 women have been killed. The reported data has been monitored and collected from reliable media sources by Burmese Women's Union (BWU). However, BWU encounters numerous obstacles when accessing data and information; therefore, the actual figures may be much higher on the ground.
